## **Applicant Personal History Statement Of**

---

**NAME**

**For the Position of:  
Cadet or Probationary  
Police Officer**

THE LEANDER POLICE DEPARTMENT IS AN EQUAL OPPORTUNITY EMPLOYER

This PHS must be turned into the Leander Police Department when you arrive for testing. PHS due on posted testing date; must be turned in before you can test.

## Personal History Statement

The Leander Police Department conducts background investigations on all potential employees inquiring into their suitability for employment. The information requested in this form is needed in order to conduct these investigations. We also need information on matters such as citizenship and military service to determine whether you are affected by laws we must follow in deciding who may be employed by this Department. We may not be able to offer you employment if you do not answer all of these questions. There are very few automatic reasons for rejection. Even issues of prior misconduct, employee terminations, and arrests are usually not, in and of themselves, automatically disqualifying. However, deliberate misstatements or omissions can and often will result in your application being rejected, regardless of the nature or reason for the misstatement/omissions. In fact, the number one reason individuals "fail" background investigations is because they deliberately withhold or misrepresent job-relevant information from their prospective employer. **Your personal history statement (PHS) will be considered incomplete if all blanks are not filled in or documents have not been submitted in the format required. If a document has been ordered but has not been delivered, we will consider accepting the PHS without that document. Incomplete PHS is a disqualifier.**

To conduct a thorough background, we are requesting your Social Security Number (SSN). As described in your initial application, the Leander Police Department may also use your SSN to make requests for information about you from employers, schools, banks, law enforcement agencies, credit agencies, and others who know you, but only where that is allowed by law. The information we collect by using your SSN will be used for employment purposes and also for studies and statistics that will not identify you.

Information we have about you may also be given to Federal, State, and local agencies for checking on law violations or other lawful purposes. In accordance with the U.S. Americans with Disabilities Act, at this stage of the hiring process applicants are not expected or required to reveal any medical or other disability-related information about themselves in response to questions on this form, or to any other inquiry made prior to receiving a conditional offer of employment.

This personal history statement is a government document. Be truthful, as there are criminal consequences for lying on a governmental document.

**Please ensure that you meet the following requirements. You must meet all five of these requirements to qualify for licensure as a peace officer in Texas.**

- ☐ I am a citizen of the United States of America
- ☐ I have earned a high school diploma or a GED
- ☐ I have never been convicted, plead guilty (nolo contendere), nor have I been on court-ordered community service/probation or deferred adjudication for a Class A misdemeanor or felony
- ☐ During the last ten (10) years, I have not been convicted, plead guilty (nolo contendere), been on community service/probation or deferred adjudication for a Class B misdemeanor in this state, other state, or while serving in the military
- ☐ I have never had a military court martial that resulted in a dishonorable or bad conduct discharge

**Applicant, please note the following will be causes for disqualification for any applicant:**

- Has made false statements in any material fact; withheld information, practiced or attempted to practice any deception or fraud in the application, examination or appointment. Depending on the variables involved, disqualification may be either permanent or temporary.
- Has failed to complete or satisfactorily meet the employment process requirement for the respective department, failure to fill in all blanks, failure to provide notary seals required, missing documents, including missed appointments, failure to return necessary paperwork, failure to notify department of changes in address or telephone numbers, or who otherwise failed to complete application process. This is a temporary disqualification.
- Has traffic violations exceeding 5 events, either moving violations or preventable accidents, in the preceding 36 months, or a reckless driving conviction in the preceding 60 months. This is a temporary disqualification.
- Has any of the following with the past 3 years:
  - Failure to stop and render aid
  - Leaving the scene of an accident
  - Driving with license suspended
  - Had driver's license suspended
- Has unstable job history. This includes the applicant changing jobs at less than 3 year intervals for reasons other than promotions or those reasons beyond the applicant's control, such as company closures, temporary position, or layoffs. This also includes previous termination by an employer because of conduct that would violate the City of Leander Personnel Policy. Also includes a history of inability to get along with co-workers or creating a hostile working environment. Depending on the variables involved, disqualification may be either permanent or temporary.
- Have tattoos in violation of Department SOP Chapter 2, which states: Tattoos, body art and branding that display an offensive design or wording shall not be conspicuous. Size and color may also be used as a factor when determining offensiveness. Any tattoos, body art or branding of the face, neck or head are prohibited. Exceptions must be approved by the chief of police.
- Must not have engaged in the use of a drug, narcotic, or controlled substance other than marijuana, within the five years preceding the application submittal, except under the care of a physician. Must not have abused any prescription medication within the last 5 years.
- Involvement in the illegal delivery or furnishing of any controlled substance or drug to another and received remuneration or any benefit. This is a permanent disqualification.
- A poor credit status, a pending or established garnishment or judgment that may cause undue hardship while employed or any debts currently assigned to collections, where the applicant has not made arrangements to correct or properly discharge debt. A bankruptcy alone will not automatically disqualify a candidate; however a bankruptcy preceded by the applicant incurring inappropriate debt will result in disqualification.
- More than one filing of bankruptcy within a 10 year period prior to the date of application or any bankruptcy in progress at the time of application. Candidates currently under a granted bankruptcy, which is part of a payment plan at the time of application, will not be disqualified for that reason alone.
- Prior or current unethical conduct, intentional misrepresentation or intentional falsifications during the selection process may permanently disqualify a candidate from reapplication.
